Robocop

When Robocop was young you know
He wasn't like other boys
He didn't go out to play a lot
Or have a lot of toys
When Robocop was young you know
No ball or spinning top
Instead he had a figurine
Of a detective cop
When Robocop grew up a bit
His aim was to be a cop
And then when he was twenty one
He got shot ... in a shop
Oh Dear!

Chaos on the radio

Naomi- recorder, everyone else sing: Popeye the sailor man.

Heather: And that will be all from young talent this morning, now its time for this is your life. Today we look at the story of Stormgirl and how she changed in the course of a weekend.

Jessi: As a lot of us know Stormgirl has a rather large temper.

Lizzie: I have not.

Jessi: This seems rather strange as her mother owns her own hairdressing business and her father only a railworker.

Lizzie: Yeah so what!

*Jessi: Our first guest of the morning is Stormgirls mother Moana!
(clap)*

Naomi: So what's it like living with Stormgirl?

Lydia: It's awful! In my day children did as they were told.

Lizzie: In my day this! In my day that! That's all you ever talk about!

Naomi: So how.....

Lydia: Do ya wanna fag?

Naomi: It's a non-smoking area, sorry.

Jessi: I think that's enough. Now we'll speak to her other half Herman, the father.

Naomi: How do you feel about your son, Ash?

Heather: Oh he's a little angel, he's total opposite of her.

Lizzie: I do have a name you know, HERMAN.

Lydia: That's daddy to you!

Lizzie: Oh please.

(Everyone starts to argue, then freeze)

Heather: That's enough from This is your life today! We'll be back sometime tomorrow, hopefully.

(Start to argue again)

When I Wake Up

(beep beep beep beep beep beep)
Why do I have to get out of bed,
I can hear the alarm clock ringing in my head.

Hurry up darling, get down here,
Your cereal's on the table, getting soggy dear.

I can't go to school mum,
I don't feel very well.

Stop joking around kid your lying I can tell.

Mum I am gonna be sick
If you don't believe me then you must be thick

Don't get smart with me
Or I'll give you a crack then you'll see

Mum I'm not gonna school
I won't listen to you no more

Right this is the end of it
Get out and don't slam that door

Walk to School

Super School
Hero Street
8 am Friday Morning

Storm Girl walking
Down the street
Bag on her back
Shoes on her feet
Millionaire Girl
In her Limosine
She's so rich
She wants to be seen
Rhino Girl
Eating sweetcorn
Juice is dripping
Down her horn
Karate Kid and Cat Boy
Far behind
It's cat boy's book
They couldn't find

Fire Girl water
Spurting from her mouth
She's just flown in
From the south

When they reach
The old school gates
They meet up
With all their mates

Little do they know
Today is THE DAY!

Fire Girl

Fire girl, fire girl,
Flies around to save the world,
Fire girl, fire girl,
Smells a fire from Portugal,
Fire girl, fire girl,
Turns to fire in a twirl,

She flies through the sky as quiet as a mouse,
And saves the people from the burning house,

Fire girl, fire girl,
Flies around to save the world,
Fire girl fire girl,
Smells a fire from Portugal,
Fire girl fire girl,
Turns to fire in a twirl,

She opens her mouth and out spurts water,
And saves the people from the horrible slaughter,

Fire girl, fire girl,
Flies around to save the world,
Fire girl, fire girl,
Smells a fire from Portugal,
Fire girl, fire girl,
Turns to fire in a twirl,
HIP, HIP HORRAY!!!!!!

Have You Heard?

(Hannah)

Is there a chance, is there a chance,
That a girl like Stormgirl could have a romance?

(Chloe)

Well haven't you heard about the latest rumour,
It couldn't have spread any sooner.

(Hannah)

What? Tell me! Tell me please!

Your making me go all wobbly at the knees!

(Chloe)

Ok I'll tell you this is what I've heard,
Karate kid has got himself a new bird!

(Hannah)

Who? Who? I'm dying to know!

(Chloe)

Ok, it's Stormgirl

(Hannah)

What? Stormgirl never! no!

Break Time

The bell goes at break time,
Out we go,
Young couples holding hands, getting with the flow,

A quick peck on the cheek turns into a snog,
Everybody thinks that we're a pair of dirty dogs,

Storm girl and fire girl are having a fight,
While the head is out of sight,

Sausage girl and millionaire girl are having a girly chat,
One thing's for sure; Lad's can't listen to that.

Karate kid's showing off his mini TV,
Telling everybody to come and see,

At the vending machines there's a mile long queue,
Cat boy's having none of it and pushes straight through.

Barbie's showing off, thinking she's cool,
But everybody knows she really loves school,

Ash and Mike are sitting on a bench,
While action man's climbing over the fence,

Break time is my favourite time of the day,
I wouldn't want it to be any other way.

The Explosion/Schools Out

[Everyone say the same]

I woke up for school at half past eight,
But even on my skateboard I was late.
I looked in my diary there was something new,
The most boring lesson for me 'n' you.
SCIENCE!

I failed the first test 'n' got detention
'cause I was thinkin' 'bout my mates extension
next I was gonna do some chemistry
but I spilt it all over my stationary
Bunsen burners at the ready
They're very hot so hold them steady
Flaming fire is frightening Firegirl
she's turning round in a twirl
she can't help it
it's gonna come out
the waters coming OUT!

She's put them all out there's no more heat
StormGirls's getting mad in her seat
StormGirl's making the flames come back
FireGirl's getting angry WHACK!

Suddenly there was a big explosion
I'd burnt my pencils with the potion
Hooray the schools been closed for the day
That's the best news the teacher's got to say

Wicked Man
Respect the Science

News Story [stormgirl]

Theme Tune

News Reporter

Hello and welcome to the ITN News

Heather

Today in this Wickersley area, we've suffered quite a blast –
Because of StormGirl's temper, this school will never last.

Naomi

I was sitting down to a cup of tea (and a Bakewell slice),
When I heard StormGirl yelling and she wasn't being nice !

Lydia

Now we go to her teacher, who knew her very well
And she will also tell us why this child had to yell.

Jessie

When this child was only 4, she was a spoiled brat,
And she knew how to catch her prey just like a hungry cat.

Lizzie

Everyone just thinks I'm bad, but that just isn't true.
If people wouldn't make me mad, my personality would be new.

Diary [trying to do better]

Dear Diary

10th November 2001

This has been a rotten day
The worst I've had in every way
I tried to get a special mention
But all I got was an hour's detention

My brother Ash just made me worse
Because he was in the shower first
Everyone has a best friend
But the kids at school drive me round the bend

Now I'll listen to my CD
I know what'll happen let's wait and see

14

Musical Argument

Storm girl went mad,
And went to her room,
And turned on her music,
To the highest volume

The earthquake began,
The roof lifted up,
And the dog next door,
Just wouldn't shut up

Her mum stormed upstairs,
Her veins nearly popped,
She couldn't relax,
Till that music was stopped

Turn down that racket,
I can't even think,
Your dad's trying to watch,
The weakest link

I've just closed the salon,
Your dad's now asleep,
He's been at work on the trains,
Non-stop all this week

The music had stopped,
The lights all dimmed down,
Storm girl fell asleep,
There was silence around

Storm Girl's Dear Diary

11th November 2001

Dear Diary,

At school I tried not to be bad.

But all I did was blow up the science lab.

I had an argument with my brother and he told me to "COOL IT"

So I went upstairs and listened to my "MUSIC"

Then my Mum shouted at me

And locked my door with the key!

I don't fit in anywhere

And I'm actually starting to care!

THE NUMBER PLATE GAME

Let's play the number plate game,
That's boring mum
Try and count the sheep then,
They go past too fast
Suck a sweet to keep you quiet or
try to go to sleep.
I can't, I'm not tired, zzz, zzz
Hey your asleep, I think your dreaming.
The number plate in front says
Baaaa,
And the sheep are eating sweets.

Storm Girl (Romance)

Karate Kid and Kat Boy in HMV, (*Dan and Becky base line*)

Looking around trying to find a CD.

Checking out the albums – Checking out the girls,

When all of a sudden, who do they see,

Whipping up a storm round the DVD's.

Chorus

It's Storm Girl, Storm Girl,

In her usual whirl.

Storm Girl, Storm Girl,

In a twist and twirl.

There's something going on in Karate Kid's mind, (*Dan and Becky base line*)

He thinks maybe Storm Girl is one of a kind.

Her head is full of thunder,

Her mind is full of rain,

If I don't get her I think I'll go insane.

Last Week I had no friends but now I have loads
My dads turned off the Weakest Link he's onto Gary Rhodes.

Fire Girl, well she used to drive me round the bend
But since I've had Karate Kid she's been my best, best friend.

The sky seems to be blue now,
The seems to be bright,
As for my big brother well he seems to be all right.
